**Bromley 10K 2020 postponed to 28<sup>th</sup> March 2021**

Dear Runners,

I am sorry to inform you that the Bromley 10K has been postponed. What was to have been a difficult decision has now become inevitable as with all other sporting events.

All the entries will be automatically carried forward to the revised date so no further action by you is required. This year we made an error with the address for making amendments for which I apologise. If for whatever reason you choose not to run, then your place may be transferred. The correct address for any amendment including transfer is <https://www.harwichrunners.co.uk/bromley10k/updateentry.php>

I feel that by postponing to 28<sup>th</sup> March 2021 there is a better chance that we will be out of the Coronavirus problem, and we will not be competing with so many other events that are gambling on delaying until the Autumn this year.

I thank you for your support and understanding. I look forward to welcoming you to the rescheduled event.

Kind regards  
Roly Knott  
Race director
